Hap Hadley Sketch Artist In Musical Comedy

HAP AND MISS HAP. No, it's Mrs. Hap Hadley with her husband, the cartoonist, playing foolish games at their camp on Canada Lake. They are newcomers to The Capitol District but find it much worth while.

MRS. HAP HADLEY AND "TOY." The wife of the cartoonist was once a sensation of the midnight shows on Broadway. And she's brown as a berry and happy as a lark up there at Canada Lake.
